

2020
Augmented Human

Call for Papers

11th Augmented Human International Conference (AH2020)
University of Manitoba, Winnipeg, Canada
May 27-29 2020
<https://augmentedhuman.ca/>

The University of Manitoba will be hosting AH2020, the 11th Augmented Human (AH) International Conference on May 27-29, 2020. The Augmented Human (AH) international conference focuses on scientific contributions towards augmenting human capabilities through technology for increased well-being and enjoyable experiences. On behalf of the organizing committee, it is our pleasure to welcome you to AH2020, a great opportunity to network and to meet up with leading scientists from all over the world. Accepted papers will be published in **ACM's International Conference Proceedings Series (ICPS)** and are eligible for publication in the **Augmented Human Research Journal**. All information about the AH2020 are available on this year website: <https://augmentedhuman.ca/>. Previous years' conferences information and proceedings links are archived here: <http://www.augmented-human.com>
