

AH 2022

## Call for Papers

13th Augmented Human International Conference (AH2022)

University of Manitoba, Winnipeg, Canada

May 26-27, 2022

<https://augmentedhuman.ca/>

The University of Manitoba will be hosting AH2022, the 13th Augmented Human (AH) International Conference on May 26-27, 2022. The Augmented Human (AH) international conference focuses on scientific contributions towards augmenting human capabilities through technology for increased well-being and enjoyable experiences. On behalf of the organizing committee, it is our pleasure to welcome you to AH2022, a great opportunity to network and to meet up with leading scientists from all over the world. Accepted papers will be published in ACM's International Conference Proceedings Series (ICPS) (TBC). All information about the AH2022 are available on this year website: <https://augmentedhuman.ca>. Previous years' conferences information and proceedings links are archived here: <https://www.augmentedhuman.com/>.

### Submission Categories

- **Full papers:** 8 pages maximum (including references), anonymized, long presentation (15-min presentation + 5-min Q&A)
- **Short papers:** 4 pages (including references), anonymized, short presentation (8-min presentation + 2-min Q&A)
- **Demonstrations:** 2 pages (including references), anonymized, demo at the conference
- **Posters:** 2 pages (including references), anonymized, poster at the conference
- **Pitch Presentations:** 1 page (including references), anonymized, 5-minute presentation (*a special call for health sciences contributions*)
  
- **Panel:** 4 pages maximum (including references), anonymized, long presentation (1 hour discussion)  
*Submissions for panels should include an outline of the objectives of the panel and an overview of the discussion topic. Topics for panels should include an in-depth analysis of an issue or identification of emerging issues in human augmentation. Panels should include no more than four presenters. Preference will be given to panels with presenters from multiple countries or perspectives. The inclusion of a pandemic-related topic is highly encouraged. All speakers on the panel must be listed on the submitted manuscript.*

### Important Dates (All deadlines by end of day CET)

- March 24, 2022: Deadline submission
- April 1, 2022: Author acceptance/rejection
- April 22, 2022: Camera-ready deadline and at least one paid full conference registration per accepted paper
- May 26-27, 2022: Conference at University of Manitoba

## Welcome to AH#2022

Global Co-Chairs: Amine Choukou, University of Manitoba, Canada  
Hai-Ning Liang, Xi'an Jiaotong-Liverpool University, China

Program Co-Chairs: Jean-Marc Seigneur, University of Geneva, Switzerland  
Farokh Atashzar, New York University, USA
